THE HAVEN

THE HAVEN PRACTICE

New Patient Registration

Update : Important Information

We regret to inform you that that we are not able to accept any new patients who wish to register with us as the Practice List is now formally closed.

The only exceptions to this will be Patients who have newborn babies who will be automatically registered and any relatives living in the same household as any current registered patient.

We have taken this action to ensure that we are able to continue to deliver our quality of patient services.

The Practice List will be closed for a short period and then we will be open again in late Spring. Please check our Website and NHS Choices for up to date information.

If you would like assistance in locating a nearby Practice to register with please ask one of our Reception Team.
