<b>Any further information:</b>		

We will have recorded all vaccinations that you have received at this practice in the last 8 years. However, you may have had some that we are unaware of e.g. vaccinations at private travel clinics or place of employment. If this is the case please advise us of any vaccinations and when you had them done:

<b>Vaccination</b>	<b>Date</b>

I confirm that the above information is correct to the best of my knowledge. I request immunisations and advice appropriate to my trip.

Please note that for most of our Vaccinations there is no fee charged as these are administered as an NHS Service.

As a Practice, we can no longer administer Hepatitis B as an NHS Service, this is now a private service that you will have to pay for personally. We also charge for a private prescription for prophylaxis against Malaria of £10.00 for each prescription item.

Please refer to our list of Vaccinations on our Website for current charges or call Reception. When paying for any charges incurred, we do not have the facilities for credit cards. You can either pay us by:

- Cash
- Cheque
- BACS Payment
